DESCRIPTION: K&K Construction Supply, Inc. is an independently owned and WBE Certified company based in Southern Nevada. The company is 100% women-owned and is the only WBE certified construction supply company in Nevada. Products sold include lumber (FSC), grouts, chemicals, formwork and tilt-up, safety supplies, small tools, power equipment, fire and water proofing protection, sustainable building materials and janitorial supplies, and much more (see website for complete products list).

In addition to general contractors, the firm's client list includes concrete contractors, grading and paving contractors, landscapers, pool contractors, electricians, housing developers, civil engineers, tile and marble companies, underground contractors, hospitals, hotel/casino resorts, educational institutions, and more.

K&K also supplies products to many clients in St. George, Utah and ships nationwide.

ORGANIZATIONS: Association of General Contractors, National Association of Minority Contractors, U.S. Green Building Council Women's Business Enterprise National Council
