

Toy Boxes Filled With Love for Olive Crest Kids

Karly Urata, owner of K & K Construction Supply, has been involved with Olive Crest for over three years and the entire company has been very supportive of our mission. On May 19, they hosted an open house and invited their customers to spend a day building and decorating toy boxes and filling them with toys for some very lucky Olive Crest kids. It was a unique opportunity to share the word about both K & K Construction Supply and Olive Crest, and even caught the attention of the media.

Thank you, Karly and K & K Construction Supply, for everything you do for the children!

Karly Urata and Ken Lange.

An eager recipient.
